**DECLARATION OF
STEVEN J. REISMAN IN SUPPORT OF DEBTORS’
APPLICATION FOR ENTRY OF AN ORDER AUTHORIZING
THE RETENTION AND EMPLOYMENT OF KATTEN MUCHIN
ROSENMAN LLP AS COUNSEL TO THE DEBTORS AT THE SOLE DIRECTION
OF THE INDEPENDENT MANAGERS EFFECTIVE AS OF THE PETITION DATE**

I, Steven J. Reisman, being duly sworn, state the following under penalty of perjury:

1. I am a partner of the law firm of Katten Muchin Rosenman LLP, located at 50 Rockefeller Plaza, New York, New York 10020 (“Katten” or the “Firm”). I am the lead attorney from Katten working on the above-captioned chapter 11 cases (the “Chapter 11 Cases”). I am a member in good standing of the Bar of the State of New York, and I have been admitted to practice in the Southern District of New York. There are no disciplinary proceedings pending against me. This Declaration is submitted pursuant to sections 327(e), 328(a), 329, 504, and 1107(b) of title 11 of the United States Code (the “Bankruptcy Code”), Rules 2014(a) and 2016(b) of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), rules 2014-1 and 2016-1 of the Local Rules of the United States Bankruptcy Court for the District of Delaware (the “Local Rules”).

¹ A complete list of each of the Debtors in these chapter 11 cases may be obtained on the website of the Debtors’ claims and noticing agent at <https://omniagentsolutions.com/Claire>s. The Debtors’ mailing address is 2400 West Central Road, Hoffman Estates, IL 60192.

2. I am duly authorized to make this declaration (the “Reisman Declaration”) on behalf of Katten in support of the *Debtors’ Application for Entry of an Order Authorizing the Retention and Employment of Katten Muchin Rosenman LLP as Counsel to the Debtors at the Sole Direction of the Independent Managers Effective as of the Petition Date* (the “Application”)² in connection with the above-referenced Chapter 11 Cases.

3. The facts set forth in this Declaration are based upon my personal knowledge, discussions with other Katten attorneys, and the firm’s client/matter records that were reviewed by me or by other Katten attorneys acting under my supervision and direction. To the extent any information disclosed herein requires amendment or modification, as additional information becomes available to me, I will file a supplemental declaration with the Court reflecting such amended or modified information.

Katten’s Qualifications

4. The Debtors seek to retain Katten as counsel to the Debtors at the sole direction of the Independent Managers because of Katten’s recognized expertise and extensive experience in, among other areas, bankruptcy and restructuring, litigation, corporate governance, corporate finance, and independent investigations in the context of chapter 11 cases. Since its engagement effective as of July 23, 2025, Katten has been assisting the Independent Managers in connection with fulfilling their duties, including by assisting in conducting the Special Investigation. As explained in the Application and in the First Day Declaration, Katten has already completed work on behalf of the Independent Managers and has become familiar with the Debtors and various aspects of their financial affairs, operations, and history. As such, I understand that the Debtors

² Capitalized terms used in this Reisman Declaration but not defined herein have the meanings given to such terms in the Application.

believe that Katten is well qualified to continue to represent the Debtors as counsel at the sole direction of the Independent Managers in an efficient and timely manner.

5. Katten has significant experience representing and advising independent managers and disinterested directors in connection with chapter 11 cases.

6. Given Katten's prior experience, the Debtors and the Independent Managers believe Katten is well-qualified and aptly able to represent the Debtors at the sole direction of the Independent Managers in these Chapter 11 Cases in an efficient and cost-effective manner.

7. The Debtors have filed or intend to file an application to approve the retention of Kirkland & Ellis LLP ("Kirkland") and Richards, Layton & Finger P.A. ("RLF") as their primary co-counsel in connection with these Chapter 11 Cases. The services of Katten shall complement, and not duplicate, the services to be rendered by Kirkland and RLF. Moreover, the responsibilities of Katten shall be confined to discrete legal matters as described herein that are distinct from the matters handled by Kirkland and RLF. Katten shall act on its own and will not act under the supervision of Kirkland or RLF. Indeed, the Debtors are mindful of the need to avoid duplication of services and appropriate procedures will be implemented to ensure that there is no such duplication.

8. Therefore, I believe that Katten is both well-qualified and uniquely able to serve the needs of the Independent Managers in these Chapter 11 Cases in an efficient and cost-effective manner.

Services to Be Provided

9. Prior to the Petition Date, Katten provided various legal services relating to the fulfillment of the Independent Managers' fiduciary duties. The Independent Managers, with the assistance of Katten, are continuing to conduct the Special Investigation. As explained herein,

Katten's work in connection with the Special Investigation remains open and will continue during the pendency of these Chapter 11 Cases. In addition, Katten will perform other duties, as directed by the Independent Managers, in connection with their delegated authority during the Chapter 11 Cases.

10. The Debtors have determined that the retention of independent counsel at the sole direction of the Independent Managers is necessary to assist the Independent Managers in fulfilling their duties in these Chapter 11 Cases, and that the employment of Katten is in the best interests of the Debtors' estates.

Professional Compensation

11. Katten intends to apply for compensation for professional services rendered on an hourly basis and reimbursement of expenses incurred in connection with these Chapter 11 Cases, subject to the Court's approval and in compliance with applicable provisions of the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, and any other applicable procedures and orders of the Court. In accordance with the Engagement Letter, the Debtors have agreed to compensate Katten for the work performed on behalf of and at the sole direction of the Independent Managers.

12. The hourly rates and corresponding rate structure Katten will use in these Chapter 11 Cases are the same as the hourly rates and corresponding rate structure that Katten uses in other restructuring matters, as well as similar complex corporate, securities, and litigation matters whether in court or otherwise, regardless of whether a fee application is required. These rates and the rate structure reflect that such restructuring and other complex matters typically are national in scope and involve great complexity, high stakes, and severe time pressures.

13. Katten operates in a national marketplace for legal services in which rates are driven by multiple factors relating to the individual lawyer, his or her area of specialization, Katten's expertise, performance, and reputation, the nature of the work involved, and other factors.

14. Katten will charge the following hourly rates set forth in the table below for services rendered in these Chapter 11 Cases:

Billing Category³	U.S. Range
Partner	\$1,205 - \$2,380
Of Counsel	\$1,110 - \$2,100
Counsel and Special Staff	\$610 - \$1,615
Associate	\$715 - \$1,210
Paralegal	\$230 - \$860

15. Katten's hourly rates are set at a level designed to compensate Katten fairly for the work of its attorneys and paraprofessionals and to cover fixed and routine expenses. Hourly rates vary with the experience and seniority of the individuals assigned. These hourly rates are subject to periodic adjustments to reflect economic and other conditions.⁴ Katten will provide ten (10) business days' notice to the Debtors, the UCC, and the U.S. Trustee with any increase of Katten's hourly billing rates that are set forth in this Application. Moreover, these hourly rates are

³ Although Katten does not anticipate using contract attorneys during these Chapter 11 Cases, in the unlikely event that it becomes necessary to use contract attorneys, Katten will not charge a markup to the Debtors with respect to fees billed by such attorneys. Moreover, any contract attorneys or non-attorneys who are employed by the Debtors in connection with work performed by Katten will be subject to conflict checks and disclosures in accordance with the requirements of the Bankruptcy Code. While the rate ranges provided for in this Application may change if an individual leaves or joins Katten, and if any such individual's billing rate falls outside the ranges disclosed above, Katten does not intend to update the ranges for such circumstances.

⁴ For example, like many of its peer law firms, Katten typically increases the hourly billing rate of attorneys and paraprofessionals once a year in the form of: (i) step increases historically awarded in the ordinary course on the basis of advancing seniority and promotion and (ii) periodic increases within each attorney's and paraprofessional's current level of seniority. The step increases do not constitute "rate increases" (as the term is used in the *Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses Filed Under 11 U.S.C. § 330 by Attorneys in Larger Chapter 11 Cases*, effective November 1, 2013). As set forth in the Order, Katten will provide ten business-days' notice to the Debtors, the U.S. Trustee, and the UCC before implementing any periodic increases, and shall file any such notice with the Court.

consistent with the rates that Katten charges other comparable chapter 11 clients, regardless of the location of the chapter 11 cases.

16. The rate structure provided by Katten is appropriate and not significantly different from (a) the rates that Katten charges for other similar types of representations or (b) the rates that other comparable counsel would charge to do work substantially similar to the work Katten will perform in these Chapter 11 Cases.

17. It is Katten's policy to charge its clients in all areas of practice for identifiable, non-overhead expenses incurred in connection with the client's case that would not have been incurred except for representation of that particular client. It is also Katten's policy to charge its clients only the amount actually incurred by Katten in connection with such items. Examples of such expenses include postage, overnight mail, courier delivery, transportation, overtime expenses, computer-assisted legal research, photocopying, airfare, meals, and lodging.

18. To ensure compliance with all applicable deadlines in these Chapter 11 Cases, from time to time Katten utilizes the services of overtime secretaries. Katten charges fees for these services pursuant to the Engagement Letter, which permits Katten to bill the Debtors for overtime secretarial charges that arise out of business necessity. In addition, Katten professionals also may charge their overtime meals and overtime transportation to the Debtors consistent with prepetition practices.

19. Katten currently charges its clients \$0.10 per page for standard black and white duplication and \$0.25 per page for color duplication. Katten does not charge its clients for incoming facsimile transmissions. Computer-assisted legal research is used whenever the researcher determines that it is more cost effective than using other (non-computer assisted legal

research) techniques. Katten will charge for these expenses in a manner and at rates consistent with charges made generally to its other clients, subject to the Local Rules.

Compensation Received by Katten from the Debtors

20. Per the terms of the Engagement Letter, on July 31, 2025, the Debtors paid Katten \$200,000, which constituted an advance fee deposit (such deposit, the “Retainer”). Prior to the Petition Date, Katten did not receive any payments from the Debtors other than the Retainer. After applying the Retainer to Katten’s prepetition fees and expenses, Katten held, and continues to hold, surplus funds in the amount of \$78,934 (the “Remaining Retainer”).⁵ Katten has not applied the Remaining Retainer to any fees and expenses incurred after the Petition Date. The Remaining Retainer will be held on account and applied, to the extent allowed by the Court, to the payment of fees for services rendered and reimbursement of expenses incurred by Katten in connection with these Chapter 11 Cases.

21. As of the Petition Date, the Debtors did not owe Katten any amounts for legal services rendered before the Petition Date.

22. Pursuant to Bankruptcy Rule 2016(b), Katten has neither shared nor agreed to share (a) any compensation it has received or may receive with another party or person, other than with the partners, associates, and contract attorneys associated with Katten or (b) any compensation another person or party has received or may receive.

Statement Regarding United States Trustee Guidelines

23. Katten shall apply for compensation for professional services rendered and reimbursement of expenses incurred in connection with the Chapter 11 Cases in compliance with

⁵ To the extent there are additional prepetition fees or expenses owed to Katten that are recorded after the Petition Date, Katten will seek relief in its fee applications to apply a portion of the Remaining Retainer to pay those amounts.

sections 330 and 331 of the Bankruptcy Code and applicable provisions of the Court. Katten shall also make a reasonable effort to comply with the U.S. Trustee's requests for information and additional disclosures as set forth in the *Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses Filed Under 11 U.S.C. § 330 by Attorneys in Larger Chapter 11 Cases Effective as of November 1, 2013* (the "U.S. Trustee Fee Guidelines"), both in connection with this Application as well as any interim and final fee applications that may be filed by Katten in connection with these Chapter 11 Cases.

A. Attorney Statement Pursuant to the U.S. Trustee Fee Guidelines

24. The following is provided in response to the request for additional information set forth in Paragraph D.1 of the U.S. Trustee Fee Guidelines.

Question: Did the Firm agree to any variations from, or alternatives to, the Firm's standard billing arrangements for this engagement?

Answer: No. Katten and the Debtors have not agreed to any variations from, or alternatives to, Katten's standard billing arrangements for this engagement. The rate structure provided by Katten is appropriate and is not significantly different from (a) the rates that Katten charges for other non-bankruptcy representatives, or (b) the rates of other comparably skilled professionals.

Question: Do any of the Firm professionals in this engagement vary their rate based on the geographical location of the Debtors' chapter 11 cases?

Answer: No. The hourly rates used by Katten in representing the Debtors at the sole direction of the Independent Managers are consistent with the rates that Katten charges other comparable chapter 11 clients, regardless of the location of the chapter 11 case.

Question: If the Firm has represented the Debtors in the twelve months prepetition, disclose the Firm's billing rates and material financial terms for the prepetition engagement, including any adjustments during the twelve months prepetition. If the Firm's billing rates and material financial terms have changed postpetition, explain the difference and the reasons for the difference.

Answer: From Katten's engagement by the Debtors on behalf of and at the sole direction of the Independent Managers, as of July 23, 2025, to the Petition

Date, Katten has followed the hourly billing rates set forth in this Declaration and set forth in Exhibit A of the Engagement Letter, attached to the Application as Annex 1 to the Proposed Order.

Question: Have the Debtors approved the Firm’s budget and staffing plan, and if so, for what budget period?

Answer: Yes. Katten, in conjunction with the Independent Managers, has developed a budget and staffing plan for these Chapter 11 Cases for the period from the Petition Date through and including November 30, 2025.

Katten’s Disclosure Procedures

25. Katten has a large and diversified legal practice that encompasses the representation of, and representations adverse to, select individuals, funds, institutions, partnerships, limited liability companies, and corporations, some of which are or may consider themselves to be (or in the case of committees, the members may consider themselves to be) creditors or parties in interest in the Chapter 11 Cases, or otherwise to have interests in these Chapter 11 Cases.

26. In preparing this Declaration, I used a set of procedures developed by Katten to comply with the requirements of the Bankruptcy Code, the Bankruptcy Rules, the Local Rules, and any other applicable procedures and orders of the Court regarding the retention of professionals by estate fiduciaries under the Bankruptcy Code (the “Katten Disclosure Procedures”). Pursuant to the Katten Disclosure Procedures, I performed, or caused to be performed, the following actions to identify the parties relevant to this Declaration and to ascertain Katten’s connection to such parties:

- (a) Katten has conducted, and continues to conduct, research into its connections with the Debtors, its creditors, and other parties in interest in these Chapter 11 Cases. As part of this inquiry, Kirkland, the Debtors’ proposed primary bankruptcy counsel, provided Katten with a list of names of individuals and entities that may be parties in interest in these Chapter 11 Cases (the “Potential Party List”) annexed hereto as **Schedule 1**. The Potential Party List includes: (a) Debtors; (b) Directors and Officers; (c) Significant Equity Holders; (d) Bankruptcy Judges and Staff for the United States Bankruptcy Court for the District of Delaware, and U.S. Trustee

Personnel for the District of Delaware; (e) Banks, Lenders, UCC Lien Parties, and Administrative Agents; (f) Contract Counterparties; (g) Bankruptcy Professionals; (h) Insurance; (i) Landlords; (j) Litigation; (k) Known Affiliates – Joint Ventures; (l) Vendors; (m) Surety and Letters of Credit Issuers and Beneficiaries; and (n) Taxing Authority/Governmental/Regulatory Agencies. (each a “Potential Party in Interest”).

- (b) Katten maintains a database containing the name of each current and former client, the name of the parties who are or were related or adverse to such current or former client, and the names of the Katten personnel who are or were responsible for current or former matters for such client for the last ten years (the “Database”). Katten maintains the Database to include additional entities that become related to current and former clients.
- (c) Katten compared the names included in the Potential Party List to the names in the Database to identify any matches, determine whether such matches are current or former clients, and identify the Katten personnel responsible for such matters (the “Client Match List”).
- (d) Using information in the Database and by making specific inquiries of Katten personnel, an attorney working under my supervision and I verified that, except as disclosed herein, Katten does not represent any entity on the Client Match List in connection with these Chapter 11 Cases, or in any matter related to the Debtors. An attorney under my supervision and I then reviewed the Client Match List and deleted obvious name coincidences. The remaining client connections were compiled for purposes of preparing this Declaration. In particular, to the best of my knowledge, information, and belief, Katten represented within the last ten years or currently represents the entities identified on the schedule attached hereto as **Schedule 2** in matters unrelated to these Chapter 11 Cases or to the Debtors.
- (e) Katten employs screening procedures to identify Katten attorneys that represented parties on the Potential Party List in matters related to the Debtors but unrelated to these Chapter 11 Cases. If applicable, Katten attorneys that represent or previously represented parties on the Potential Party List in matters directly adverse to the Debtors (collectively, the “Screened Katten Attorneys”) will not perform work in connection with Katten’s representation of the Debtors at the sole direction of the Independent Managers and will not have access to confidential information related to the representation. For the avoidance of doubt, no Katten attorney is currently representing the Debtors or any parties on the Potential Party List in matters related to these Chapter 11 Cases, except in connection with Katten’s representation of the Debtors at the sole direction of the Independent Managers. Katten’s formal ethical screen provides sufficient safeguards and procedures to prevent imputation of conflicts by isolating

the Screened Katten Attorneys and protecting confidential information. Under Katten's screening procedures, the following occurs when a wall is established: (1) notice goes out to the Screened Katten Attorneys informing them that they cannot work on, access, bill time, or discuss with anyone the matters from which they are walled; (2) notice goes out to all Katten personnel stating that the Screened Katten Attorneys are walled from the specific matters and that personnel must not assign any work to, share any records with or discuss any aspect, either verbally or via electronic means, with the Screened Katten Attorneys; (3) restricted stickers are being used to flag physical files belonging to each matter, further notifying all personnel of the wall in place; (4) the Screened Katten Attorneys are unable to access physical files in the records management system relating to the matters from which they are walled; (5) the Screened Katten Attorneys are unable to enter time on the matters from which they are walled; and (6) the Screened Katten Attorneys are unable to access electronic documents in the document management libraries from which they are walled.

27. As a matter of retention and disclosure policy, I will continue to apply the Katten Disclosure Procedures as additional information concerning entities having a connection to the Debtors is developed and will file appropriate supplemental disclosures with this Court, if warranted.

Katten's Disclosable Connections with Parties in Interest

28. To the best of my knowledge, information, and belief, neither Katten, nor any of its partners, counsel, or associates, has any connection to any Potential Party in Interest, except as described in this Declaration and the attached **Schedule 2**. Out of an abundance of caution, I am disclosing certain representations, which are not, to my understanding, disqualifying or problematic under either section 327(e) of the Bankruptcy Code or applicable standards of professional ethics.

29. Except for BofA, Citibank, N.A., and Morgan Stanley SR FD Inc., none of the entities listed on **Schedule 1** and **Schedule 2** directly represented more than one percent of Katten's revenue for fiscal year 2024.

30. Katten previously represented Mr. Transier as an independent director in a restructuring matter that is unrelated to the Debtors and these Chapter 11 Cases.

31. Katten currently represents Mr. Barse as an independent director in a restructuring matter that is unrelated to the Debtors and these Chapter 11 Cases.

32. For the avoidance of doubt, Katten will not commence a cause of action in the Chapter 11 Cases against the entities identified herein or in **Schedule 2** attached hereto that are current clients of Katten unless Katten has an applicable waiver from such entity allowing Katten to commence such an action. To the extent that a waiver does not exist or is not obtained from such client and it is necessary for the Debtors or the Independent Managers to commence an action against that client, the Debtors or the Independent Managers will be represented in such particular matter by conflicts counsel.

33. From time to time, certain debt holders of the Debtors may be represented by Katten in connection with trading activity involving outstanding debt of the Debtors. To the extent Katten becomes aware of such representation through the Katten Disclosure Procedures, the Katten attorneys representing these debt holders would be Screened Katten Attorneys and would not perform work relating to Katten's representation on behalf of the Independent Managers.

34. From time to time, Katten has referred work to other professionals retained or that may be retained in these Chapter 11 Cases. Likewise, certain such professionals have referred work to Katten.

35. Certain insurance companies pay the legal bills of Katten clients. Some of these insurance companies may be involved in these Chapter 11 Cases. None of these insurance companies, however, are Katten clients as a result of the fact that they pay legal fees on behalf of Katten clients.

36. It is possible that certain Katten attorneys or employees hold interests in mutual funds or other investment vehicles that may own interests in the Debtors.

37. Despite the efforts described above to identify and disclose Katten's connections with the Potential Party List, because Katten is an international firm with hundreds of attorneys in several offices worldwide, and because the Debtors consist of corporate enterprises with numerous creditors and other relationships, I am unable to state with absolute certainty that every client representation or other connection has been disclosed.

38. Katten will review its Database periodically during the course of its engagement in these Chapter 11 Cases to ensure that no conflicts or other disqualifying circumstances exist or arise. If any new relevant facts or relationships are discovered or arise, Katten will use reasonable efforts to identify such further developments and will file promptly a supplemental declaration, as required by Bankruptcy Rule 2014(a).

39. By reason of the foregoing, I believe Katten is eligible for employment and retention by the Debtors on behalf of and at the sole direction of the Independent Managers pursuant to sections 327(e), 328(a), and 1107(b) of the Bankruptcy Code and the applicable Bankruptcy Rules and Bankruptcy Local Rules.

40. To the best of my knowledge, information, and belief formed after reasonable inquiry, Katten neither holds nor represents an interest adverse to the Debtors or their estates by reason of any direct or indirect relationship to, connection with, or interest in the Debtors, or for any other reason. Further, except as provided herein or **Schedule 2** attached hereto, to the best of my knowledge, information, and belief formed after reasonable inquiry: (a) Katten has no connection with the Debtors, their affiliates, their creditors, the U.S. Trustee, any person employed in the office of the U.S. Trustee, any Bankruptcy Judge currently serving on the United States

Bankruptcy Court for the District of Delaware, or any other entity with an actual or potential interest in the Chapter 11 Cases or their respective attorneys or accountants; (b) Katten is not a creditor, equity security holder, or insider of the Debtors; and (c) none of Katten's attorneys is or were, within two years of the Petition Date, a director, officer, or employee of the Debtors.

41. Based on the conflicts search conducted to date and described herein, to the best of my knowledge and insofar as I have been able to ascertain, (a) Katten does not hold or represent an interest adverse to the Debtors or their estates with respect to matters on which Katten is to be retained by Claire's at the sole direction of the Independent Managers and (b) Katten has no connection to the Debtors, their creditors, or other parties in interest, except as disclosed herein.

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge, information and belief.
